Broadway is a fantastic crag with long vertical slab routes.

Avvicinamento: At Domusnovas take the road to San Giovanni's Cave and park near the San Giovanni's church. Take the dirt road on the right that suddenly leads to a trail. Go up on the trail until you find another trail on the left with red and white marks. After a 15/20 minutes walk, turn on the left on a trail marked by cairns that leads to the Chinatown sector. When you see the Broadway crag, turn on the right on a very short track.
